"Cheryl is an exceptionally gifted graphic designer, web developer, and expert at Search Engine Optimization. Her recommendations for SEO took me from page 16 to page 1 on Google in just a few weeks! I highly recommend Cheryl for any need you might have in graphic design, web site development, print or photographic media."

—Lisa Van Allen, MS, PhD

"**Designs of the 5 Domains** is hands down the best website development company around! Cheryl Boots has provided outstanding service and design consistently over the years, and at extremely reasonable prices. When I need a website or modifications to an existing site, Cheryl is the only person I call."

—Steve Shriver
